

**Curso FA-11 SPANISH GRAMMAR (AL) (45 class hours)**

Lecturer: Jaime González Gómez ([jaimegonzago@gmail.com](mailto:jaimegonzago@gmail.com))

Substitute Lecturer: Ana M. Romera Manzanares ([anaromera@us.es](mailto:anaromera@us.es))

### **OBJECTIVES**

The aim of this Course is to improve, and develop further, students' communication skills, paying attention to key issues affecting the Grammar of Spanish. In terms of an Advanced-Level Course, students would need to keep abreast of grammatical circumstances concerning variants within the language, as well as issues related to the interaction of norms and usage. Likewise, students will be expected to acquire a certain degree of knowledge of the theoretical dimension of Grammar so as to ensure further understanding of the constructions to be employed within practical communication.

### **METHODOLOGY**

Classroom methodology will be based on the acquisition of an increased awareness of the grammatical rules of Spanish and on their practical application within a series of specific activities. As a complementary aspect of their grounding, with guidance from lecturers, students will carry out the following kind of high-profile, keynote activities: for example, a critical review of selected bibliographical titles; research into, and analysis of, grammatical constructions which appear in present-day texts in Spanish.
