Please contact the program manager, Mr. Sean Chipres at seanrc@saiie.com to find out more about the swimming program and study abroad program.

Located in the heart of the bustling city centre of Seville, Spain, the Spanish American Institute of International Education (SAIE) is a study abroad institution affiliated to the University of Wisconsin-Platteville since 1984.

Our programs are based around three main goals: academic excellence, cultural immersion and social integration. With the development of our new athletic programs, we are now also able to help students achieve these goals through a sports environment where they can develop their athletic abilities whilst being surrounded by the Spanish culture and people.
