Course GS-12

WINE IN SPAIN: HISTORY AND WINE TASTING

(45 class hours)

Prof. PhD. Borja Sanz Altamira (borja@us.es)

OBJECTIVES

Wine has long been part of human society and today is an important part of Spanish culture. This course provides a hands-on introduction to the world of wine. Students will meet the main Spanish wine regions and grapes, they will learn how to store and serve wine effectively, and explore different wines through sight, smell, and taste, and the principles of food and wine pairings. This course also covers a variety of topics related to the Spanish wine industry, from wine styles and winegrowing areas to sustainable production and tourism.

METHODOLOGY

The syllabus will be developed in the most balanced way according to its extension (45 hours), combining Theoretical Classes with support of audiovisual material, and Practical Classes savouring different Spanish wines to better understand the stages of wine tasting.
